 Village Woodridge

The Village has signed a new five-year contract with Groot effective September 1, 2024. Under this updated program, stickers will no longer be required for refuse and yard waste. Instead, customers will enjoy unlimited flat-rate collection of refuse, recycling, and yard waste. Groot will supply new refuse and recycling containers, which are currently showcased at Village Hall for those interested in viewing the sample sizes. Customers can choose from three sizes: 35 gallons (small), 65 gallons (medium), and 95 gallons (large) during registration.

Registration for the new Groot Refuse and Recycling Program is NOW OPEN! To register, please call 888-485-0900 More details about the program can be found on the [Village of Woodridge website](#).

Once registered, Groot will mail you your first bill with your account number and the option to enroll in autopay or paperless billing. Woodridge residents will also receive a Groot Brochure and a postcard with registration details in the mail in the coming weeks.
